Hi!

I'm Alanis, an **illustrator** and **graphic designer** based in **Singapore**. I love movies and TV shows, hours-long video essays, historical stuff, animals, and crafting. [Also frogs... but only in theory.](#)

Another thing about me — I want to work with you. I hope with these qualifications, you'll want to work with me, too!

Experience

SPACElogic Pte Ltd.

Graphic Designer (2022–Present)

Worked within the Design Department under the Creative Director as part of the **Graphics Team**.

Conceptualised and developed creative solutions based on requirements/ specifications. Collaborated with the 3D designers to **ideate, create, and execute print matters** for exhibitions or spatial projects.

Proposed innovative use of materials and concepts, and prepared final artwork (FA) files following standard production guidelines. Presented design proposals to clients and internal teams.

Notable projects include:

- Bird Paradise (Mandai)
- Sneakertopia (ArtScience Museum)

Toolkit

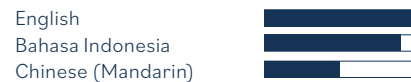

Adobe Creative Suite

Languages

Education

Raffles Design Institute/Coventry University

Bachelor of Arts, First Class Honours (2021-2022)
Advanced Diploma in Visual Communication Design (2020-2021)

Acquired technical and theoretical knowledge on design in main areas such as **typography, vector illustration, and page layout**, as well as studied multiple disciplines through different school assignments.

Projects done under this include: **advertising** (campaigns and posters), **branding/visual identity system** (collateral-based and exhibition-based campaigns, rebranding, creating guidelines, etc.), **publication** (book covers and content layout), **packaging** (graphics and structure).

Dabbled in **product design** for merchandising collateral purposes.

Curtin College Perth

Diploma of Arts and Creative Industries/Mass Communications (2019)

Studied different modern methods of communication such as the **Web, film, graphic design, journalism, and advertising**. Introduced to **academic practices** and acquired field experience in diverse subjects.

3dsense Media School

Diploma in Concept Design and Illustration (2017-2018)

Refined skills in **digital illustration** and learned the process of **creating finished concept art pieces, mainly for animated films and games**. Learned **self-discipline, teamwork, and time-management**.

Achievements

National Heritage Board

Communal Dining Exhibition (2022)

Designed a piece to be displayed at the **National Museum of Singapore** to celebrate the inscription of Hawker Culture on UNESCO's Representative List of Intangible Cultural Heritage of Humanity.

Safety Starts With Me

Bronze Award in Creative Poster Drawing (2021)

An annual competition held by the **Workplace Safety and Health Council (WSH)**.

Academic Peer

Design Computing (2019)

Achieved **more than 70%** in the completed unit and provided **voluntary academic support** to fellow students.

WSQ Diploma

Diploma in Digital Design (2018)

National credential system that trains, develops, assesses and certifies skills and competencies for the workforce.
